Power of Purpose

The two most important days in your life are the day you are born, and the day you find out why. -Mark Twain

STEPS TO SUCCESS

What do you love? Write down the one thing you absolutely love to do and why it brings you joy.

What do you dislike? Turn frustration into power. Harness that feeling and use it to take action. Find a local organization to volunteer for and help make a change.

Consider your environment. Do you surround yourself with positive influences? Embrace people that encourage you and ditch the naysayers.

Do something. Having trouble finding your purpose? Get out there and do something! Sign up for a class you've been curious about or discover a new hobby.

What's the big picture? Its easy to get lost in the journey, create a reminder to keep you focused on the big picture. Example, create a vision board or write an inspiring message on your mirror.

Stick with it. Success isn't easy. Keep moving in the direction of your dreams! Remember, you were born on purpose with a purpose!
