STEPS TO SUCCESS

PERSONAL PLAN

Maybe. Take note of the moral of the story in this episode.

Mindset. The next time that you are in a situation, rather than thinking of it as "good" or "bad", use the mindset of "maybe".

Moving Forward. Reflect on a situation in your past where you believe it was one certain way (i.e., right or wrong, good or bad, positive or negative), but it turned out it was not those things you assumed. What did you learn from this experience that you can apply to the future?

No matter how small your step, as long as you take it in the right direction, that's Positive Forward Motion.
